

First Grade Singing assessment Lamp Project  
 Date: April 13, 2016  
 Song focus: "Mister Rabbit, Mister Rabbit"

Not working on it	Working on it	Meets Expectations	Exceeds Expectations
<p>The student refuses to sing or participate. They do not know the words to the song. They do not sing with a good tone quality when it is heard. They do not sing a consistent tempo the entire time.</p>	<p>The student tries to sing, but makes mistakes singing the words. The tone quality is poor but shows that it can be good with some effort. The student works hard but doesn't seem to be succeeding. They speed up or slow down a lot while singing.</p>	<p>Student sings well with few errors in words. They have a good tone quality that can be great with more effort. They show that they are working hard. They speed up or slow down singing only a little, mostly keeping with the original beat of the song.</p>	<p>The student sings all of the words correctly with no errors. The tone quality is excellent and the student shows signs of working extremely hard. They match pitch with the song and keep the beat of the song without speeding up or slowing down. They keep the original beat of the song.</p>
